

ADDENDUM

SEPA File No. 02-091300

Description of the original proposal: The Washington state Department of Natural Resources (DNR) is proposing a landscape plan for approximately 15,700 acres of forested state trust lands in the Lake Whatcom Planning Area.

Description of the addendum: This addendum identifies the Preferred Alternative for the Final Environmental Impact Statement for the Lake Whatcom Landscape Plan. The FEIS Preferred Alternative has been changed from the Preferred Alternative presented in the Draft Environmental Impact Statement for the Lake Whatcom Landscape Plan by adding a new objective (Objective 22) and editing the wording of Objective 16 to provide clarification.

Description of existing environmental document: The Draft Environmental Impact Statement for the Lake Whatcom Landscape Plan was issued September 8, 2003.

Proponent: Department of Natural Resources

Lead Agency: Department of Natural Resources

This addendum is being distributed pursuant to WAC 197-11-600 and 197-11-625. It has been determined that this new information does not substantially change the analysis of significant impacts in the existing environmental document.

Responsible Official: William Wallace.
